Dear Patient,

I would like to share some news with you regarding my future in medicine. After much reflection, I have made the decision to retire from my medical practice on June 30, 2026.

It has been a privilege for me to be a physician at Tustin Irvine Internal Medicine Group, providing medical care to you and others in the community for 39 years. The relationships I have built with my patients are deeply meaningful to me, and I am honored to have been entrusted with your healthcare. Together, we have navigated health challenges, celebrated successes, and worked towards your well-being. These years have been some of the most rewarding and purposeful of my life, and I am immensely grateful for the trust and friendship we have shared.

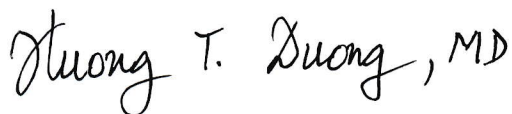

As I approach this next chapter of my life, my priority is to ensure a smooth transition for you, so that your care remains consistent and uninterrupted. I am happy to announce that Dr. Neha Savalia will be joining our medical group in July 2026. Dr. Savalia is an experienced Internist who has been in practice for 20 years and I have great confidence that she will provide the highest standard of care for you and your family.

Our medical group is fully committed to your health and have the expertise and compassion to provide the quality care you deserve. We are prepared to support you during this transition and will be available to answer any questions or concerns you may have.

Thank you for allowing me to be part of your healthcare journey. I am deeply grateful for the time that we had together over the years.

I wish you the best of health and happiness.

With sincere gratitude,

Huong T. Duong, M.D.
